This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

DECEMBER 5, 1911.—Referred to the Committee on Expenditures in the Interior Department and ordered to be printed.

DEPARTMENT OF THE INTERIOR,
Washington, December 4, 1911.

SIR: I have the honor to transmit herewith a tabulated statement of the information required by the following provision contained in the Indian appropriation act of April 4, 1910 (36 Stat. L., 269–270):

> * * * and annually thereafter the Secretary of the Interior shall transmit to Congress a cost account of all moneys, from whatever source derived, expended on each such irrigation project for the preceding fiscal year; * * *

It will be noted that the two items "Special investigations" and "Administration" have not been distributed among the various projects, for the reason that they are in no way construction expenses: "Special investigations" covers traveling, investigations of controversies between Indians and white water users, reporting on applications for right of way, and on various questions raised by the Department of the Interior, and expert witnesses in connection with the adjudication of water rights. "Administration" is the expense of the office of the chief engineer and the Washington office, not directly chargeable to any reservation or project.

Respectfully,

Secretary.

That the liabilities of the company consist of the amounts still due under the concessions granted to the company of the $1,855,000 of bonds before mentioned, the said bonds being due to the assignees of the Nicaragua Canal Construction Co. for work and labor done and materials furnished in the execution of the work of constructing the interoceanic canal, and of cash liabilities outstanding unpaid to an amount not exceeding $200,000.

Sixth. That the assets of the company consist of its unused capital stock; of the $518,500 first-mortgage bonds and the 2,420 shares of capital stock received in liquidation as aforesaid; of the concessions, rights, privileges, and franchises which it owns, and of the plant, lands, and other property of the company in Central America.

Seventh. Work on the canal was not resumed during the past year for the same reasons that were given in our annual reports for 1900, 1901, 1902, 1903, 1904, 1905, 1906, 1907, 1908, 1909, and 1910, to which reports we beg leave to refer as part of this report.

As set forth in said reports, the Nicaraguan Government has unlawfully seized and confiscated the entire plant and property of the company in Nicaragua. Such seizure and confiscation were wholly illegal and were forced measures which this company had no power to resist or control, and they could not and did not legally divest the Maritime Canal Co. of Nicaragua of its exclusive and vested rights of property in and to its canal route, lands, rights of way, and other property in the Republic of Nicaragua. By said illegal seizure and confiscation the company has been deprived of the lawful possession and enjoyment of its plant and property and has been prevented from prosecuting the work of construction, but the Maritime Canal Co. of Nicaragua has never surrendered or abandoned any of its plant or property or its exclusive rights and privileges to construct a ship canal across the territory of Nicaragua, and the ownership of said property, rights, and privileges is still vested in this corporation.

The facts connected with the arbitrary and unlawful acts of the Republic of Nicaragua in attempting to divest the corporation of rights and property justly acquired and solemnly guaranteed and the steps taken by the company with reference thereto are fully set forth in the several protests made by this corporation to the Department of State of the United States and dated December 2, 1898, September 8, 1899, and October 23, 1900, respectively; which said protests are hereby referred to as part of this report and are in all respects hereby renewed and confirmed.

In witness whereof the Maritime Canal Co. of Nicaragua has caused its corporate seal to be hereunto affixed and these presents to be signed by its president, this 1st day of December, 1911.

SIMON LYON, ADMINISTRATOR.

LETTER FROM THE ASSISTANT CLERK OF THE COURT OF CLAIMS TRANSMITTING A COPY OF THE FINDINGS FILED BY THE COURT IN THE CASE OF SIMON LYON, ADMINISTRATOR OF THE ESTATE OF ALFRED T. A. TORBERT, DECEASED, AGAINST THE UNITED STATES.

DECEMBER 5, 1911.—Referred to the Committee on War Claims and ordered to be printed.

COURT OF CLAIMS, CLERK'S OFFICE,
Washington, December 4, 1911.

Hon. CHAMP CLARK,
Speaker of the House of Representatives.

SIR: Pursuant to the order of the court I transmit herewith a certified copy of the findings of fact filed by the court in the aforesaid cause, which case was referred to this court by the Committee on War Claims, House of Representatives, under the act of March 3, 1883, known as the Bowman Act.

I am, very respectfully, yours,

JOHN RANDOLPH,
Assistant Clerk Court of Claims.

[Court of Claims. Congressional case No. 14775. Simon Lyon, administrator of the estate of Alfred T. A. Torbert, deceased, *v.* The United States.]

STATEMENT OF CASE.

The claim in the above-entitled case for arrears of pay alleged to be due on account of the services of Alfred T. A. Torbert, deceased, in the Army of the United States, was transmitted to the court by the Committee on War Claims of the House of Representatives on June 21, 1910.

The case was brought to a hearing on its merits on the 5th day of December, 1910. Lyon & Lyon appeared for the claimant, and the Attorney General, by George M. Anderson, Esq., his assistant, and under his direction, appeared for the defense and protection of the interests of the United States.

The claimant in his petition makes substantially the following allegations: That he is a citizen of the United States and a resident of the city of Washington, D. C., and is the administrator of the estate of Alfred T. A. Torbert, who died August 29, 1880;

That said Alfred T. A. Torbert entered the United States Military Academy as a cadet September 1, 1851; that he graduated therefrom and was appointed second lieutenant of Infantry July 1, 1855; was promoted first lieutenant February 25, 1861, captain September 25, 1861, colonel First New Jersey Infantry September 16, 1862, brigadier general of Volunteers November 29, 1862, and resigned from the United States Army October 31, 1866;

Digitized by Google

That by reason of his said services said Torbert became entitled to longevity increase pay under the acts of Congress approved July 5, 1838 (5 Stats., 258); March 2, 1867 (14 Stats., 434); July 5, 1870 (16 Stats., 320); June 18, 1878 (20 Stats., 150); and February 24, 1881 (21 Stats., 346), computing the time served at the Military Academy as a cadet in accordance with the decisions of the Supreme Court of the United States in the cases of United States *v.* Tyler (105 U. S., 244), United States *v.* Morton (112 U. S., 1), and United States *v.* Watson (130 U. S., 80).

That under the ruling of the accounting officers said officer was paid longevity pay beginning July 1, 1860, and his service as a cadet at the Military Academy was not counted in computing said longevity increase pay; that under the decisions of the Supreme Court in said cases of Tyler, Morton, and Watson said decedent was entitled to have his service as a cadet counted, and that the date of commencement of his longevity increase is September 1, 1856.

That application was made to the Auditor for the War Department for such longevity pay and allowances due under said decisions, and said claim was disallowed by that officer on August 8, 1884; that, following the decision of the Comptroller of the Treasury in the case of Alexander O. Brodie on May 18, 1908, application was made for said decedent's longevity pay and allowances, but the accounting officers of the Treasury held that the claim having been previously decided, they were without authority of law to reopen and adjust same, although similar claims are now being paid by said officers.

That said Alfred T. A. Torbert served continuously throughout the War of the Rebellion in the United States Army and was loyal to the United States Government.

The court, upon the evidence and after considering the briefs and arguments of counsel on both sides, makes the following

FINDINGS OF FACT.

1. The claimant is the duly appointed administrator of the estate of Alfred T. A. Torbert, deceased, and resides in the city of Washington, D. C.

2. Claimant's decedent was an officer in the United States Army, having been appointed a cadet at the Military Academy September 1, 1851. He graduated therefrom and was appointed second lieutenant of infantry July 1, 1855; was promoted to be first lieutenant February 25, 1861; captain, September 25, 1861; colonel First New Jersey Infantry, September 16, 1861; brigadier general of volunteers, November 29, 1862; was honorably mustered out of volunteers January 15, 1866, and resigned October 31, 1866.

3. In the settlement of said decedent's account by the accounting officers of the Treasury he has been paid his first longevity increase ration from July 1, 1860, and the additional increase for each five years thereafter, exclusive of his cadet service at the Military Academy.

4. Under the decision of the United States Supreme Court in the case of United States *v.* Watson (130 U. S., 80), said decedent's longevity period should begin as follws: First period, September 1, 1856; second period, September 1, 1861; third period, September 1, 1866, to October 31, 1866; and the difference between the amount actually paid to him and the amount to which he was entitled under the said decision for said periods is as follows:

First longevity period, Sept. 1, 1856, to June 30, 1860		$419.70
Second longevity period, Sept. 1, 1861, to Jan. 15, 1863		150.60
Third longevity period, Sept. 1, 1866, to Oct. 31, 1866		30.50
		600.80
Less internal-revenue tax	$2.75	
Less overpayments account pay and allowances	148.29	
		151.04
Leaving a net balance of four hundred and forty-nine dollars and seventy-six cents		449.76

LETTER FROM THE ASSISTANT CLERK OF THE COURT OF CLAIMS TRANSMITTING A COPY OF THE FINDINGS FILED BY THE COURT IN THE CASE OF HORATIO G. GIBSON AGAINST THE UNITED STATES.

DECEMBER 5, 1911.—Referred to the Committee on War Claims and ordered to be printed.

COURT OF CLAIMS, CLERK'S OFFICE,
Washington, December 4, 1911.

Hon. CHAMP CLARK,
Speaker of the House of Representatives.

SIR: Pursuant to the order of the court I transmit herewith a certified copy of the findings of fact filed by the court in the aforesaid cause, which case was referred to this court by the Committee on War Claims of the House of Representatives under the act of March 3, 1883, known as the Bowman Act.

I am, very respectfully, yours,

JOHN RANDOLPH,
Assistant Clerk Court of Claims.

[Court of Claims of the United States. Congressional, No. 14,771. Horatio G. Gibson *v.* The United States.]

STATEMENT OF CASE.

The claim in the above-entitled case, for arrears of pay alleged to be due on account of the services of claimant in the Army of the United States, was transmitted to the court by the Committee on War Claims of the House of Representatives on June 11, 1910.

The case was brought to a hearing on its merits on the 5th day of December, 1910.

Lyon & Lyon appeared for the claimant, and the Attorney-General, by George M. Anderson, Esq., his assistant and under his direction, appeared for the defense and protection of the interests of the United States.

The claimant in his petition makes substantially the following allegations: That he is a citizen of the United States and a resident of the city of Washington, D. C.; that he entered the United States Military Academy as a cadet on the 1st day of July, 1843, and after having graduated therefrom he served in the United States Army as second lieutenant, Second Artillery, from July 1, 1847; first lieutenant from May 26, 1851; captain from May 14, 1861; lieutenant colonel, Second Ohio Artillery, from August 1, 1863; colonel, August 15, 1863; major, Third Artillery, February 5, 1867; lieutenant colonel from April 19, 1882; colonel from December 1, 1883; and retired May 22, 1891.

Digitized by Google

That by reason of his services at the United States Military Academy as a cadet and as a commissioned officer he became entitled to longevity increase pay under the acts of Congress approved July 5, 1838 (5 Stats., 258); act of March 2, 1867 (14 Stats., 434); act of July 5, 1870 (16 Stats., 320); act of June 18, 1878 (20 Stats., 150); and act of February 24, 1881 (21 Stats., 346), computing the time he served at the United States Military Academy as a cadet in accordance with the decisions of the United States Supreme Court in the cases of United States *v.* Tyler (105 U. S., 244), United States *v.* Morton (112 U. S., 1), and United States *v.* Watson (130 U. S., 80).

That under the construction of the laws as then followed by the accounting officer claimant's longevity increase was made to commence July 1, 1852, and his time at the Military Academy as a cadet was not counted in computing and paying said longevity increase pay; that under the decisions of the Supreme Court in the above-mentioned cases claimant is entitled to longevity increase pay and allowances in the sum of $2,200, allowing for the time spent at the Military Academy.

That application was made to the Auditor for the War Department for such longevity increase pay due under said decisions, but the claim was disallowed November 17, 1890; that on May 18, 1908, the Comptroller of the Treasury in the case of Brodie decided that officers of the United States Army were entitled to longevity increase pay, computing the time spent at the Military Academy; that thereafter claimant applied for said longevity pay and allowances to the accounting officers of the Treasury, who refused to reopen and reconsider the claim; that claimant served continuously throughout the Civil War in the United States Army and was loyal to the United States Government throughout said Rebellion.

The court, upon the evidence and after considering the briefs and arguments of counsel on both sides, makes the following

FINDINGS OF FACT.

1. Claimant is a citizen of the United States and a resident of Washington, D. C.

2. He was an officer in the United States Army, having been appointed a cadet at the Military Academy July 1, 1843; he graduated therefrom and was appointed second lieutenant July 1, 1847; was promoted to be first lieutenant May 26, 1851; captain May 14, 1861; major February 5, 1867; lieutenant colonel April 19, 1882; and colonel December 1, 1883.

3. In the settlement of claimant's account by the accounting officers of the Treasury he has been paid his first longevity ration from July 1, 1852, and one additional ration for each five years subsequent thereto.

4. Under the decision of the United States Supreme Court in the case of United States *v.* Watson (130 U. S., 80) said claimant was entitled to additional pay, as follows:

First longevity period, July 1, 1848, to June 30, 1852		$292.20
Second longevity period, July 1, 1853, to June 30, 1857		328.70
Third longevity period, July 1, 1858, to June 30, 1862		438.30
Fourth longevity period, July 1, 1863, to June 30, 1867		543.90
Fifth longevity period, July 1, 1868, to July 14, 1870		223.20
		1,820.30
Less tax	$36.15	
Less net overpayment	65.44	
		101.59
Leaving a balance of seventeen hundred and twenty-four dollars and seventy-one cents		1,724.71

PLEASANT HILL BAPTIST CHURCH.

LETTER FROM THE ASSISTANT CLERK OF THE COURT OF CLAIMS TRANSMITTING A COPY OF THE FINDINGS FILED BY THE COURT IN THE CASE OF PLEASANT HILL BAPTIST CHURCH AGAINST THE UNITED STATES.

DECEMBER 7, 1911.—Referred to the Committee on War Claims and ordered to be printed.

COURT OF CLAIMS, CLERK'S OFFICE,
Washington, December 6, 1911.

Hon. CHAMP CLARK,
Speaker of the House of Representatives.

SIR: Pursuant to the order of the court, I transmit herewith a certified copy of the findings of fact and conclusions in the aforesaid cause, which case was referred to this court by resolution of the House of Representatives under the act of March 3, 1887, known as the Tucker Act.

I am, very respectfully, yours,

JOHN RANDOLPH,
Assistant Clerk Court of Claims.

[Court of Claims. Congressional, No. 14381. Pleasant Hill Baptist Church v. The United States.]

STATEMENT OF CASE.

This is a claim for the loss of a church building, the same having been torn down and the materials of which it was constructed, together with the furniture and furnishings therein, having been hauled away and used by the United States Army for barracks, in Lonoke County, Ark., during the Civil War.

On the 17th day of January, 1910, the United States House of Representatives referred to the court a bill in the following words:

[H. R. —, Sixty-first Congress, second session.]

"A BILL For the relief of the trustees of the Pleasant Hill Baptist Church.

"*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the Secretary of the Treasury be, and he is hereby, authorized and directed to pay, out of any money in the United States Treasury not otherwise appropriated, to the trustees of the Pleasant Hill Baptist Church, in Lonoke County, Arkansas, the sum of one thousand five hundred dollars for the church property alleged to have been taken and used by the Federal troops in the construction of barracks during the Civil War."

The claimant church appeared in this court on June 4, 1910, and filed its petition, in which it is substantially averred:

That during the late war for the suppression of the rebellion, to wit, in the year 1864, the United States military forces, consisting of a part of the army of Gen. Steele, under proper authority, tore down said church in Lonoke County, Ark., and hauled away the materials of which it was constructed, together with the furniture and furnishings therein, by reason whereof said church, as an organization, suffered loss and damages in the sum of $1,500; and that said church, as an organization, was loyal to the United States Government during the entire period of said war.

The case was brought to a hearing on loyalty and merits on the 14th day of November, 1910.

William W. Bride, Esq., appeared for the claimant, and the Attorney General, by William F. Norris, Esq., his assistant, under his direction, appeared for the defense and protection of the interests of the United States.

The court, upon the evidence adduced and after considering the briefs and arguments of counsel on both sides, makes the following

FINDINGS OF FACT.

I. Pleasant Hill Baptist Church, of Lonoke County, Ark., as a church, was loyal to the Government of the United States throughout the late Civil War.

II. During said war the military forces of the United States, by proper authority, took for the use of the Army the church building described in the petition and tore it down and used the materials contained therein for barracks. The reasonable value of said property at the time and place of taking is the sum of five hundred and twenty-five dollars ($525), no part of which appears to have been paid.

III. The claim herein was never presented to any officer or department of the Government prior to its presentation to Congress and reference to this court by the Committee on War Claims of the House of Representatives, as hereinbefore set forth in the statement of the case, and no reason is adduced showing why the same was not earlier presented.

CONCLUSION.

The court concludes that as the church building aforesaid was destroyed by the United States as a military necessity the claim is not a legal one against the United States and is equitable only in the sense that the United States received the benefit of the material therefrom, as set forth in the findings.

EMMA F. EVERMAN.

LETTER FROM THE ASSISTANT CLERK OF THE COURT OF CLAIMS TRANSMITTING A COPY OF THE FINDINGS FILED BY THE COURT IN THE CASE OF EMMA F. EVERMAN AGAINST THE UNITED STATES.

DECEMBER 7, 1911.—Referred to the Committee on War Claims and ordered to be printed.

COURT OF CLAIMS, CLERK'S OFFICE,
Washington, December 6, 1911.

Hon. CHAMP CLARK,
Speaker of the House of Representatives.

SIR: Pursuant to the order of the court I transmit herewith a certified copy of the findings of fact and conclusion filed in the aforesaid cause, which case was referred to this court by resolution of the House of Representatives under the act of March 3, 1887, known as the Tucker Act.

I am, very respectfully, yours,

JOHN RANDOLPH,
Assistant Clerk Court of Claims.

[Court of Claims. Congressional, No. 14468. Emma F. Everman *v.* The United States.]

STATEMENT OF CASE.

On February 18, 1910, House bill 7629, Sixty-first Congress, was referred to this court by resolution of the House of Representatives for findings of fact under the terms of the act approved March 3, 1887. Said bill reads as follows:

"*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the Secretary of the Treasury be, and he is hereby, authorized and directed to pay, out of any money in the Treasury not otherwise appropriated, the sum of eight hundred dollars to Emma F. Everman for property taken from her for the use and benefit of the Army of the United States during the War of the Rebellion."

The claimant in her petition makes the following allegations:

1. That she is a citizen of the United States, residing in the county of Carter, State of Kentucky, and that during the late Civil War she resided in said county and State.

2. That during said war, to wit, in or about December, 1863, the United States military forces, consisting of troops belonging to Company K, Fortieth Kentucky Mounted Infantry, in charge of Sergt. John C. Blevins, by proper authority, took from petitioner's premises, at or near Grayson, Carter County, Ky., at least 800 bushels of corn, which was then and there reasonably worth the sum of $800, for which no payment has been made.

3. That petitioner failed to present a claim for said property to the Quartermaster General under the act of July 4, 1864, because she was unaware of the passage of said act.

The case was brought to a hearing on loyalty and merits on January 19, 1911.

C. C. Calhoun, Esq., appeared for the claimant, and the Attorney General, by Charles F. Jones, Esq., his assistant and under his direction, appeared for the defense and protection of the interests of the United States.

The court, upon the evidence adduced and after considering the briefs and arguments of counsel on both sides, makes the following

FINDINGS OF FACT.

I. Claimant, Emma F. Everman, was loyal to the Government of the United States during the late Civil War.

II. During said war the military forces of the United States, by proper authority, for the use of the Army, took from claimant, in Carter County, Ky., property of the kind and character described in the petition, which at the time and place of taking was reasonably worth the sum of four hundred and twenty-five dollars ($425), no part of which appears to have been paid.

III. The claim herein was never presented to any department or officer of the Government prior to its presentation to Congress and reference to the court February 18, 1910, by the House of Representatives, as set forth in the statement of the case.

CONCLUSION.

Upon the foregoing findings the court concludes that the claim herein is not a legal claim against the United States and is equitable only in the sense that the United States received the benefit of the property taken as set forth above.

[Court of Claims. Congressional, No. 11354. Hartwell B. Hilliard *v.* The United States.]

This case, being a claim for supplies or stores alleged to have been taken by or furnished to the military forces of the United States for their use during the late war for the suppression of the rebellion, the court, on a preliminary inquiry, finds that Hartwell B. Hilliard, the person alleged to have furnished such supplies or stores, or from whom the same are alleged to have been taken, was loyal to the Government of the United States throughout said war.

[Court of Claims. Congressional, No. 11354. Hartwell B. Hilliard *v.* The United States.]

STATEMENT OF CASE.

The claim in the above-entitled case for supplies, or stores, alleged to have been taken by or furnished to the military forces of the United States, for their use during the late War for the Suppression of the Rebellion, was transmitted to the court by the Committee on War Claims of the House of Representatives on the 17th day of March, 1904.

On a preliminary inquiry the court, on the 6th day of November, 1905, found that person alleged to have furnished the supplies, or stores, or from whom they were

alleged to have been taken, was loyal to the Government of the United States throughout said war.

The case was brought to a hearing on its merits on the 18th day of February, 1907.

Moyers & Consaul appeared for claimant, and the Attorney General, by Malcolm A. Coles, Esq., his assistant, and under his direction, appeared for the defense and protection of the interests of the United States.

The claimant in his petition makes the following allegations:

That he is a citizen of the United States and now a resident of the county of Alcorn, State of Mississippi; that during the late Civil War he was a citizen of the United States, residing in the county of Fayette, State of Tennessee; that during said period there were taken from petitioner and his copartner by United States military forces, under proper authority, and converted to the use of the United States Army quartermaster stores and supplies of the kinds and values below stated, to wit:

Taken, Nov. 28, 1863, at Somerville, Tenn., by J. R. W. Hinchman, lieutenant and quartermaster, Seventh Illinois Cavalry:

100 pounds of hay	$1.00
10 bushels of corn	7.50
6 mules, at $150 each	900.00
Total	908.50

That petitioner was the owner of an undivided one-half interest in said above-described property of the following value, to wit, $454.25; that this claim was presented to the Quartermaster General, but was rejected by that officer because he was not satisfied with the evidence of claimant's loyalty; that knowing said decision to be unjust, petitioner prayed Congress for relief, and on March 17, 1904, this claim was referred to this court by the Committee on War Claims of the House of Representatives for findings of fact in accordance with the Bowman Act; that petitioner, as partner in the firm of Hartwell B. Hilliard & Bro., is the sole owner of said undivided one-half interest in said partnership claim; that in case No. 5336, congressional, the justice of said partnership claim was found by this court.

The court, upon the evidence, and after considering the briefs and arguments of counsel upon both sides, makes the following

FINDING OF FACT.

During the late Civil War there was taken by the military forces of the United States, for the use of the Army, from claimant and his brother, in Fayette County, State of Tennessee, property of the kind and character described in the petition, in which property the claimant herein had an undivided one-half interest. The reasonable value of the claimant's one-half interest was then and there the sum of three hundred dollars ($300).

No payment appears to have been made therefor.

MARY J. McGLOTHLEN.

LETTER FROM THE ASSISTANT CLERK OF THE COURT OF CLAIMS TRANSMITTING A COPY OF THE FINDINGS FILED BY THE COURT IN THE CASE OF MARY J. McGLOTHLEN, SOLE HEIR OF JOHN W. MEENACH, DECEASED, AGAINST THE UNITED STATES.

DECEMBER 7, 1911.—Referred to the Committee on War Claims and ordered to be printed.

COURT OF CLAIMS, CLERK'S OFFICE,
Washington, December 6, 1911.

SIR: Pursuant to the order of the court I transmit herewith a certified copy of the findings of fact and conclusion filed in the aforesaid cause, which case was referred to this court on March 5, 1910, by resolution of the House of Representatives, under the act of March 3, 1887, known as the Tucker Act.

I am, very respectfully, yours,

JOHN RANDOLPH,
Assistant Clerk Court of Claims.

Hon. CHAMP CLARK,
Speaker of the House of Representatives.

[Court of Claims. Congressional, 14591. Mary J. McGlothlen, sole heir of John W. Meenach deceased The United States.]

STATEMENT OF CASE.

The claim in this case is for loss and damage to certain flatboats and to a store boat caused by the military forces of the United States during the late Civil War.

Said claim was first referred to this court under the act of March 3, 1883, known as the Bowman Act, January 30, 1905, and numbered 11756, Congressional. The court, on June 10, 1909, found that claimant's decedent, John W. Meenach, deceased, was loyal to the Government of the United States during the Civil War.

Thereafter, and on August 31, 1909, defendant filed a motion to dismiss the cause on the ground that the court did not have jurisdiction to consider the same under section 3 of the Bowman Act, said section prohibiting this court from exercising jurisdiction of a claim for destruction or damage to property by the Army, but said motion was never acted on by the court.

Thereafter, on March 5, 1910, the United States House of Representatives, by resolution, referred to the court, under the act of March 3, 1887, a bill in the following words:

[H. R. 17660, Sixty-first Congress, second session.]

"A BILL For the relief of Mary J. McGlothlen.

"*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That the Secretary of the Treasury is hereby authorized and directed to pay, out of any money in the Treasury not otherwise appropriated, to Mary

J. McGlothlen, the sum of one thousand and twenty-seven dollars, as heir at law of John W. Meenach, deceased, in full of claim of said Meenach for the sinking in the Ohio River of two hay boats and one store boat, and the merchandise therein contained, by order of General Boyles, commanding the Union forces July eleventh, eighteen hundred and sixty-three, while resisting the Morgan raid."

This case was docketed as No. 14591, Congressional.

The claimant having filed her petition in this cause on September 8, 1906, and testimony of several witnesses having been taken under the first reference of the cause, a motion was filed, on June 8, 1910, by claimant, to transfer all the records to the case under the reference by House resolution of March 5, 1910, aforesaid. This motion was allowed June 11, 1910.

Claimant in her petition makes in substance the following allegations:

That she is a citizen of the United States, and one of the next of kin of John W. Meenach, deceased, who, during the late Civil War, was engaged in merchandise business along and upon the Ohio River.

That during the late Civil War, and in or about the month of July, 1863, the military authorities of the United States, under command of Gen. Boyle, scuttled and sunk two flat boats and one store boat belonging to her decedent, said boats being then upon said Ohio River, and causing loss of and damage thereto in amount $1,027. The items of loss and damage are not set out in the petition.

The case was submitted on merits on November 21, 1910.

S. E. Adler and Britton & Gray appeared for claimant, and the Attorney General, by W. H. Lamar, Esq., his assistant and under his direction, appeared for the defense and protection of the interests of the United States.

The court, upon the evidence and after considering the briefs and argument of counsel on both sides, makes the following

FINDINGS OF FACT.

I. On June 10, 1909, the court found that the claimant's decedent, John W. Meenach, was loyal to the Government of the United States throughout the late Civil War, and now adheres to that finding.

II. During said war the military forces of the United States, by proper authority, took possession of the decedent's boats on the Ohio River, as described in the petition, and scuttled and sank the same to prevent them from falling into the hands of the enemy. Said boats at the time and place of destruction were then and there reasonably worth the sum of nine hundred and forty dollars ($940), no part of which appears to have been paid.

III. The claim herein was presented to the Quartermaster General on December 10, 1879, and by that officer rejected on December 12, 1879, for the reason that his department had no jurisdiction over claims for damages. Thereafter the claim was presented to Congress and referred to the court on January 30, 1905, by the Committee on War Claims of the House of Representatives under the provisions of the act of March 3, 1883. Under said reference the claimant's decedent was found loyal by the court, but the case on merits was not presented. Thereafter, on March 5, 1910, the case was again referred to the court by resolution of the House of Representatives under the act of March 3, 1887.

CONCLUSION.

Upon the foregoing findings the court concludes that the claim herein is neither a legal nor an equitable claim against the United States.

By the Court.

62D CONGRESS, 2d Session. } HOUSE OF REPRESENTATIVES. { DOCUMENT No. 289.

DEFICIENCY APPROPRIATION FOR BUILDING TWO REVENUE CUTTERS.

LETTER

FROM

THE SECRETARY OF THE TREASURY,

SUBMITTING

DEFICIENCY ESTIMATE ON ACCOUNT OF TWO REVENUE CUTTERS PROVIDED FOR BY ACT OF APRIL 21, 1910.

DECEMBER 12, 1911.—Referred to the Committee on Appropriations and ordered to be printed.

TREASURY DEPARTMENT,
OFFICE OF THE SECRETARY,
Washington, December 4, 1911.

The SPEAKER OF THE HOUSE OF REPRESENTATIVES,
Washington, D. C.

SIR: I have the honor to state that by act of Congress approved April 21, 1910, the Secretary of the Treasury was authorized to provide two revenue cutters, at a cost not to exceed the sum of $250,000 for each vessel.

In the act making appropriations for the sundry civil expenses of the Government for the fiscal year ended June 30, 1911, the sum of $150,000 ($75,000 for each) was appropriated toward the building of these two vessels, and on May 26, 1911, contracts were entered into with the Newport News Shipbuilding & Dry Dock Co. for their construction, each vessel to be completed by the 26th of May, 1912. The contracts provide for five partial payments, according as the work of construction reaches certain stages of completion. The first partial payment on each vessel has been made. The second partial payment on each vessel is now due, which will exhaust the $150,000 already appropriated toward the construction of these vessels, and funds to provide for further payments will be required early in January, 1912.

Referring to page 280 of the Annual Book of Estimates for 1913, the sum of $350,000 has been estimated for to complete these two vessels.

I have, therefore, to request that this sum ($350,000) be provided for in an urgent deficiency bill at the earliest possible date.

Respectfully,

FRANKLIN MACVEAGH, *Secretary.*

JAN 28 1914
